With your support, we made 2019 a year to remember, while 2020 is a year to move past. In 2021, we are excited to announce that the Sioux Falls Pride Parade and Festival are back!! Since we missed our chance to celebrate our 20th anniversary in 2020, we decided that we are STILL going to celebrate the milestone this year.

With your support, we can make sure this celebration of 20+ years of working towards equality in Sioux Falls is one to remember.

OUR 2021 VISION STARTS WITH YOU.

THANK YOU FOR YOUR CONTINUED SUPPORT AND PARTNERSHIP FROM ALL OF US AT SIOUX FALLS PRIDE.

About Sioux Falls Pride

Sioux Falls Pride first took place in mid-2000 and was then hosted by the Center for Equality in Sioux Falls. The Center for Equality, now known as Sioux Falls Pride, was the leading LGBTQ focused non-profit organization that provided services, support and advocated for the LGBTQ community of Sioux Falls and surrounding areas.

Board of Directors

President: Matt Neufeld

Vice President: Cody Ingle

Marketing Director: Rachel Polan

Merch Coordinator: Felicia Rabine

Community Action: Holli Finch

Jimmy Diaz

Mike Merkel

In addition to community services, the Center for Equality also worked alongside organizations like the ACLU of South Dakota to defeat anti-LGBT legislation like HB 1008 which targeted transgender youth in South Dakota.

In 2019 Sioux Falls Pride held the **first ever** pride parade in the state of South Dakota. Thousands were in attendance for this historic parade on Phillips Avenue in Downtown Sioux Falls.

In addition to growth in attendance, Sioux Falls Pride has expanded festival offerings by growing family-friendly events, adding in Pride Week and diversifying marketing and community engagement efforts. In the last few years, multiple local businesses have even started their own Pride events. Most recently, Sioux Falls Pride has grown to include a Pride Parade through Downtown Sioux Falls. The inaugural parade was held in June 2019.

Mission Statement: *Sioux Falls Pride serves the LGBTQIA2S+ community in Sioux Falls and the surrounding areas by fostering growth, inclusivity and equality to our proud members and allies. We have a passion for creating a community which empowers youth, provide support for all and welcome diversity. Through ongoing efforts, Sioux Falls Pride continues to be a thriving organization proudly providing support to our beloved LGBTQ2s+ community.*
